

Helping Your Business Grow Faster & Better

Sensibly, Fairly & Efficiently

Making Businesses Better

Objective of this Insighting Document:

- ❑ This document is aimed at providing directional inputs to business leaders for shaping their thinking
- ❑ Business leaders can leverage the ideas, insights and information as inputs for their strategy creation
- ❑ Business leaders are advised to carryout more in-depth studies before finalizing their decisions & applications

What is not expected this Document to provide:

- This document doesnot provide explicit recommendation/s to business leaders
- Hence Strategea or it's associates are not liable for any business applications arising out of adoption of the ideas, insights or information presented in this document

Developing Priority Hierarchy

Priority Hierarchy Map

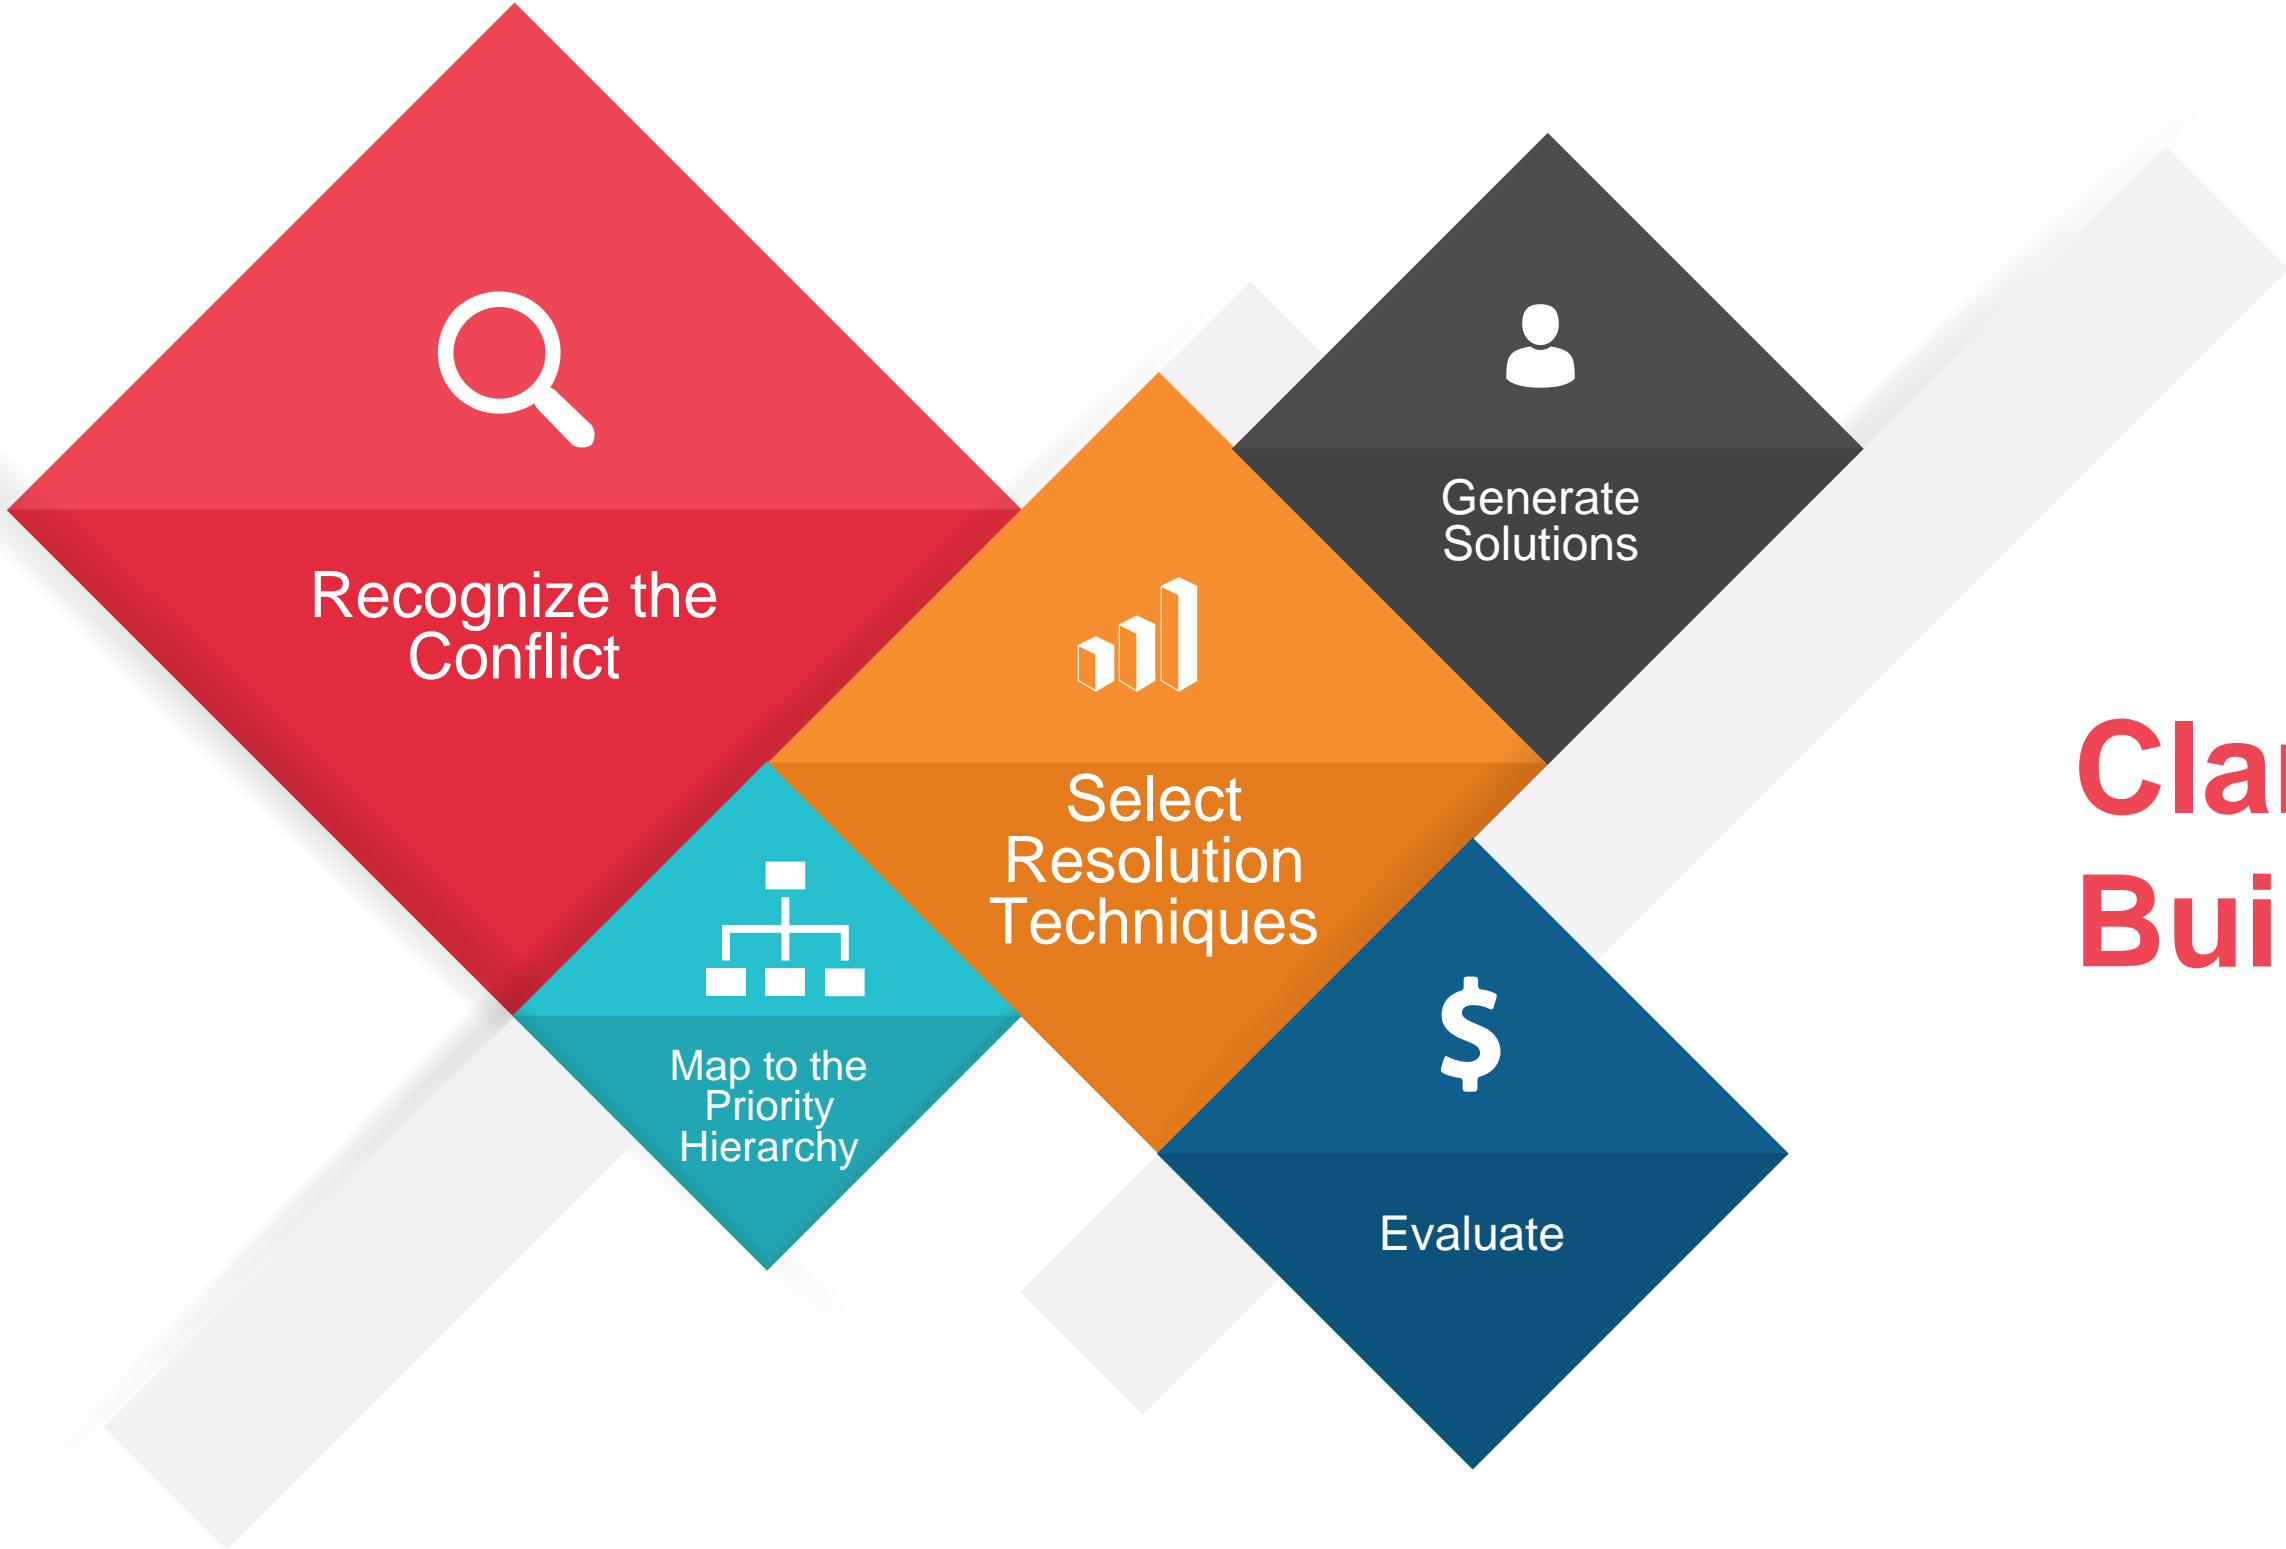

Priority Hierarchy Map helps you provide a foundation for decision making by making it visual.

So a shared understanding of Company Stand on Matters is available for guidance.

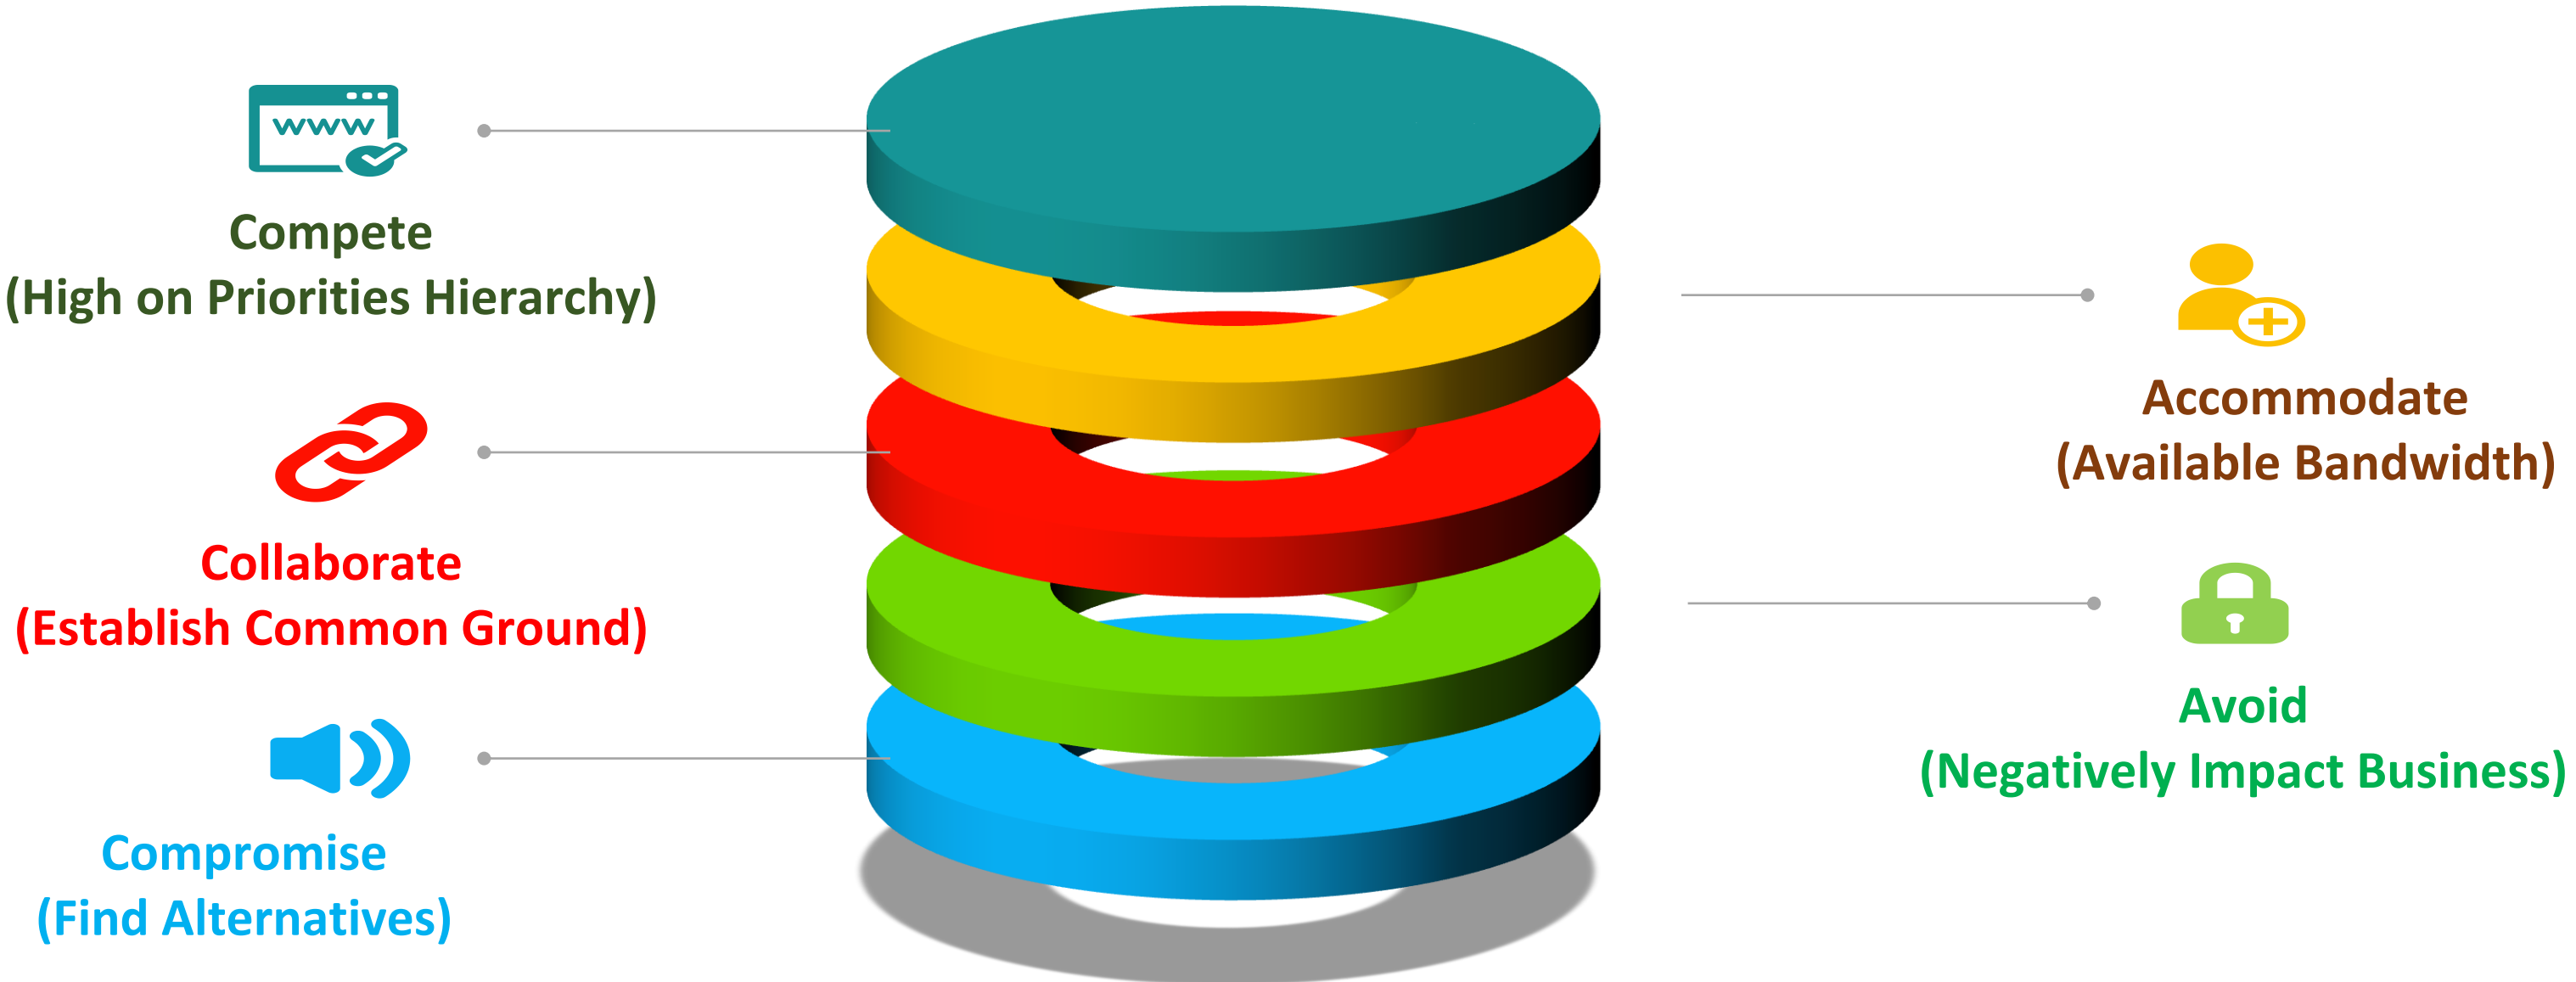

EXAMPLE

Conflict Resolution Approach

Clarity leads to Building Trust

Select Resolution Techniques

Let's Work Together

We will love to hear from you on how to support you on faster achievement of your goals:
